2022-23 INFORMAL REQUEST FOR "DECLINE IN MARKET VALUE" REASSESSMENT

California State Revenue and Taxation Code, Section 51 authorizes the Assessor to **temporarily** lower the assessed value of any real property when it is greater than the market value as of the January 1, lien date. If you have evidence that the market value of your property as of **January 1, 2022** is less than the assessed value, you may provide the information below and return this request to the Assessor's Office. This request need not be filed prior to July 2022. An independent review of the January 1, 2022 market value will be performed by the Assessor of all properties that were granted a reduced reassessment last year and other properties where there is potential need for a new reduction in assessment. Declines in value below assessed value will be recognized and enrolled. All property owners will be notified of their 2022-23 assessed value in July 2022.
